- **Late pick-up fee:** \$5.00 per minute per student remaining after 6:00 p.m.

**Please contact the ASC office if your child will participate in middle school sports (5th – 8th grades).

FINANCIAL ASSISTANCE

GSL uses the online service Financial Aid for School Tuition (FAST) to process financial aid applications. Financial assistance is available for students in SK through 8th grade. Awards are made annually based on financial need and timely application. Financial aid will only meet a portion of the family's financial obligation to the school. GSL encourages the application of students of any race, color, creed or ethnic origin and does not discriminate in the making of such awards. The FAST application link is found on the *Financial Aid* page under the *Admissions* section on the GSL school website.

¹ *GSL discourages making changes to payment plans once selected. Significant alterations to an already existing payment plan may incur additional charges. See Financial Policies on GSL website.*

² *Payment plans established using a credit card will incur an additional 2.75% service fee from FACTS for each transaction as a processing fee.*
