THE GSL SCHOLARSHIP ENDOWMENT FUND
Alumni Parent Challenge – Fundraising/Matching Gift Goal: \$200,000

During the 2017-2018 school year, alumni parents Alison and Andy Cates, made a tremendous commitment to GSL. They wanted to make financial assistance available to more families while also ensuring that financial aid would be available for decades to come. Consequently, they made a pledge of \$100,000 for the endowment and issued a five-year challenge to other alumni parents to match this pledge. Another alumni family (and current grandparents), Joanie and Andy Taylor, had already demonstrated their support of financial assistance for GSL students and enthusiastically supported the Cates's initiative. An official matching gift challenge of \$200,000 was officially introduced to alumni parents.

The GSL Scholarship Endowment Fund challenge is barely one year into its five-year campaign, and donations are continuing to come in. We'd like to acknowledge and thank those alumni families who have pledged and or contributed to this campaign during the 2018 fiscal year.
