Finding Your Luker in ACE: Easy as 1-2-3!

Picking up children in SK-8th grade from ACE: After School is as easy as 1-2-3.

Looking for your Luker? is GSL's online resource that lists where students are located by grade throughout their entire day in ACE After School. The page is updated throughout the day, allowing parents to see where their child is located at their time of arrival, helping determine the best parking location based on the child's location.

Spring Registration for ACE: Enrichment Now Open

We hope you enjoy the Spring 2019 Enrichment offerings! Many classes will be full by the end of this month, so register today.
